

OVER \$3.6 MILLION IN INTERNATIONAL PHD SCHOLARSHIPS

HURRY, APPLICATIONS CLOSE 31 AUGUST 2013

THE UNIVERSITY OF
NEWCASTLE
AUSTRALIA

The University of Newcastle, Australia (UoN) is currently seeking applications from high calibre, motivated international PhD candidates in our areas of research excellence.

Over 50 University scholarships are available for 2014 and provide:

- living allowance of \$24,653 per annum
- relocation and establishment allowance of up to \$2,020
- tuition fees
- overseas student health cover

UoN is a research-intensive university with a strong international reputation in research performance. Ranked in the top 3% in the world by QS World University Rankings 2012 and Times Higher Education World University Rankings 2012. UoN also has 10 disciplines ranked in the top 200 in the world according to the 2013 QS World University Rankings by subject.

UoN ranked equal 7th for research "well above world standard" in the Excellence in Research for Australia assessment (ERA), carried out by the Australian Government's principal research agency, the Australian Research Council (ARC) in 2012. In the ERA assessment 90% of our research was rated "at world standard" or above.
